Ladies' Benevolent Association.

At last, we believe we may congratulate the city upon having within its limits an association firmly established, and fully organized; possessed of an earnest purpose, and in command of ability to accomplish much in alleviating the distress of the city's poor. The Ladies' Benevolent Association, at a meeting yesterday morning, completed its organization by the unanimous adoption of a set of by-laws, framed like those of similar societies in other large cities, and the election of all the officers called for in those by-laws. The attendance on the part of the Christian women of our city was very full and gratifying. The President, Treasurer, Secretary, and all the other officers, congratulate themselves upon the establishment of the Depository under the most favorable auspices; and tender their thanks to the noble hearts that have already so generously responded to the call of Benevolence and Christian Union. They hope for the continued assistance of their countrywomen, whose appeals to the brave hearts of our fellow-citizens of the stern who have not been in vain, who now turn to them for subscriptions in order to meet the exigencies of the first opening of the Depository.

We deem it proper to state here, for the information of our readers who have not yet learned the full objects of this society, that it is proposed to open a Depository, under the care of an experienced lady, where work will be given throughout the entire winter to such as cannot otherwise provide for themselves and their little ones. We are not fully posted in regard to the method to be pursued, but have no doubt that in due time full information will be given, so that the public may know where to find the Depository. Meanwhile, let our well-to-do citizens open their hearts and purse, and aid the ladies all they can this truly good work.

AN ASCENDING TOWNSHIP TREASURER.

We learn from the Chillicothe Advertiser, that James S. Dunbar, Treasurer of Huntington Township, Ross county, recently took his departure with another man's wife rather unmercifully, not so much as deigning to inform his neighbors whether he was going. He left behind him a wife and two children, whether to mourn his loss, we do not know. How much of the township funds do he took with him, is not known. He was not a member of the Democratic party—that party not being sufficiently selected for him.

River Intelligence.

RIVER AND WEATHER.—The river was still receding, though slowly, with 3 feet 6 inches water, by the mark, in the canal, making 4½ feet water for steamboats.

Business at the wharf has been quite brisk for the last two or three days. Yesterday was not so clear and pleasant as Friday, but was far from cold or disagreeable.

The Telegraph, in charge of Captain Sam, Hildreth, is the packet for Cincinnati this morning, leaving at 11 o'clock. The T. is a fine boat, and her officers are all among the best on the river. Go down in time.

BUSINESS.—The Superior came in from Cincinnati, with 25 bbls. hams, 183 lbs. meat, 70 lbs. whisky, 200 lbs. candles, 29 lbs. baskets, 26 lbs. d. goods, 4 lbs. fish, 43 lbs. paper, 137 lbs. sugar, 50 lbs. B. W. flour, 20 bxs. glass, 20 lbs. soap, 176 lbs. cheese, 24 bds. sheet iron.

Diamond, from New Orleans, 67 bds. sugar, 75 bds. molasses, and 292 bds. sugar, for shipment to Cincinnati.

The John Galt went out for Cairo last evening, with 1500 lbs. pork, 150 lbs. whisky, 50 doz. chains, 150 cks. meat, 100 lbs. rope, 50 lbs. bagging, and about 100 tons miscellaneous freight, and a good number of passengers.

NEWS.—The St. Louis Evening News, of the 26th, has the following:

The river, at this time, is still receding, at about 4½ feet, or eight inches above 24 hours. The weather to day, as well as that of yesterday, is lovely. Yesterday being Thanksgiving Day, there was little business transacted upon the river, and in fact few arrivals. The Gladiator got in from New Orleans, the Ilium, from Keokuk; the Philadelphia, from Memphis; the Vandalia, from Vicksburg; and also took in the sum total of arrivals up to six o'clock in the evening. The City of Memphis left with a fine trip of passengers and freight, for New Orleans. The Americans, having been repaired, got up steam for the Illinois, and the City of Louisiana left for Keokuk.

The John Galt went out for Dubuque to-morrow, but came to a standstill at the mouth of the Mississippi, and was unable to get up steam. The weather to day, as well as that of yesterday, is lovely. Yesterday being Thanksgiving Day, there was little business transacted upon the river, and in fact few arrivals.

The Village Blacksmith—This is the title of the engraving which will be presented this year to the subscribers, by the Cosmopolitan Art Union. It is a beautiful picture; and the artist's idea have been faithfully preserved by the engraver. Persons wishing to subscribe, can do so by calling on W. H. Clarke, Hon. Secy.; under Mozart Hall, where they will also see "The Village Blacksmith."

THE HOOPS MUST COLLAPSE.—It is formally and authoritatively stated by the French Modistes, that the hoops are now at last to be laid aside. The new mode in Paris consists of long voluminous robes of fluff but flowing stuff, without crinolines and without *tourneurs*, short and close fitting waists without basques. The reign of the hoop is over. Literally it may be said that fashion rules the hour.

"We are indebted to Mr. Murray, of the American Express Co., for San Francisco papers of the 30th October, by the Overland Mail.

To the Adams Express Co., we are every day laid under obligations for papers from the East, North and West.

STEALING.—Theo. Woodruff, who lives near warrant, by John McKinney, charging him Shepherdville, was arrested in this city on with stealing some clothes. It is said that Woodruff has two wives.

"A young philosopher mucron his biscuit seemed to eye it attentively. At last he said: "Ma, what makes the biscuit hum itself?" "Hurley's Quick Yeast, my dear," said the smiling mother.

Smart boy, that.

DECLARATION.—James Bennett, Dennis McCarty, and D. Lazarus, yesterday filed declaration of intentions to become citizens of the United States.

BAILED OUT.—Theo. Jerrold was bailed out of the workshop.

(From the Lexington Observer.)

At a meeting of the corporators of the Kentucky River Navigation Company, held at Lexington on the 24th day of November, 1858, on motion of Gen. Leslie Combe, A. L. McAfee, of Jessamine, was unanimously elected President of the meeting, and W. M. Irvine, of Madison, Secretary.

McAfee explained the object of the meeting, and read an address prepared by Mr. George Steely, of Frankfort, a scientific and practical engineer.

Moved and carried, that the newspapers in all the counties interested, also the Louisville papers, be requested to publish the proceedings of this meeting with the address of Mr. Steely.

Moved and carried, that the chairman of this meeting, and George Steely, Esq., as secretary pro tem., address a circular to the chairman of the corporators in each county, urging him to appoint one or more sub-committees to consider the same, and to get subscriptions to the amount of \$1000, to be used in the meeting in February, 1859, and that they furnish an appropriate reading for such subscriptions, according to charter.

Moved and carried, that this meeting adjourn until the second Tuesday, in February, 1859.

A. L. McAfee, Chairman.

W. M. JAYNE, Secretary.

The Pembroke (Canada) Observer has the following:

The Rev. Mr. Roy, Wesleyan minister at Wakefield, in a letter to a brother clergyman, says: "I learn from an authentic source that we have who is supposed to be a bona fide volunteer, about 130 miles up the Godwin river. Parties are in the place, but seem less to be an internal revolution, have been heard and seen at the Head's Post at the river Desert, which is thirty miles distant. It is called Mount Diablo. This may probably account for the many shocks of earthquake felt in the vicinity."

Yours, respectively, A. B. COLEMAN.
